

Day of Love - Heartspring 2010

A note from Marsha - Second Vice President of the Kansas State Council

Thank you to everyone that helped with the Day of Love on Saturday. It was great to see so many there to help decorate, we had plenty of cookies and the Valentine Bags were overflowing. You helped make the day a huge success. The kids enjoyed dancing and three of the young men were especially delighted to have some younger girls to dance with, even if it meant cutting in on their friends to dance with their partners. The DJ's had never been to Heartspring before and both said they would be back. They also commented that they couldn't help think about their own children and how blessed they were. If you've never had the opportunity to attend one of the dances I hope you will be able to join us at Prom on May 8. You will come away with a full heart.

For everyone at Heartspring, thank you again. You made the evening something special for many people to remember.

Marsha

Another Thank-You from Heartspring

ESA members,

I wanted to take the opportunity to say **THANK YOU** for the recent Day of Love at Heartspring. What a tremendous out pouring of dedication to the children of Heartspring! We had a great group of ladies show up to decorate, set up the gym for the dance and stay to clean up afterwards. The gym was quickly transformed to a Valentine's extravaganza that even Cupid would be proud.

I hope to see many of you at the Prom this upcoming May.
