

2010 Heartspring Prom

Marsha Barnes – Philanthropic Chairman and Second Vice President of the KSC

Heartspring Prom, May 8, 2010, at Heartspring campus was as magical as any prom you can imagine. ESA members met at 2:00 p.m. to decorate the gym in a Candy Land theme thanks to the decorations donated by Beta Beta, Andover. After a short dinner break everyone headed back to Heartspring to enjoy the dance from 6:00 p.m. - 8:00 p.m. DJ Larry Perlman from At Your Request DJ donated his time again this year. Larry had some special surprises for everyone throughout the evening. (Shooting confetti onto the dance floor was not only a big surprise but also a big hit with the students.)

Every parent's memories of their child growing up include the typical prom nights and joy that it brings to enrich a child's ability to learn how to interact socially. Heartspring parents enjoy this night as much as the students do as you can see from the many smiles.

What would any Prom be without the "sunglasses"???

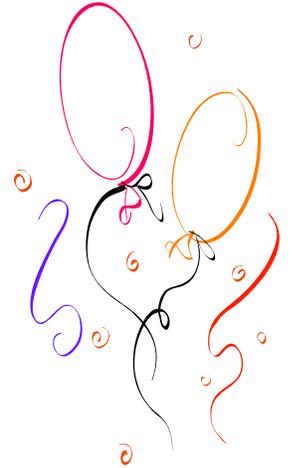

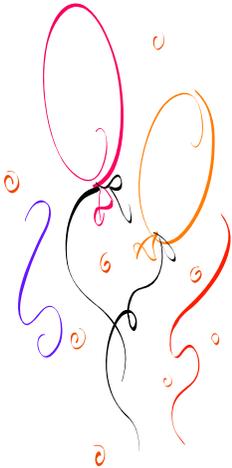

Cleanup followed the dance with everyone pitching in. All the help was appreciated so very much. Cookies were provided again by chapters for Prom and enjoyed by parents, students, and guests.

If you have never attended Prom, plan to join us next year! It was also parents weekend so we were able to get to see how excited and appreciative the parents are with our efforts on behalf of the children. It was an evening that will not be forgotten.

Prom is a good time to do something special for your Adopt-A-Child. We did not have corsages this year and if that is what they do next year maybe you could send one to your Adopt-A-Child to make them feel really special on a wonderful night.

Thanks for a great Heartspring year!! Marsha
